

Hey Now, What Now: What the Hell's Going Down Out There? (Paperback)

Filesize: 4.85 MB

Reviews

Extensive information! Its this type of excellent study. I have read and i am sure that i will gonna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. I did know that I could make a living; I didn t know if I could continue to live. There was too much bullshit to everything, everyone, every place that I knew. There was no expert judgment on anything, at least anything that I cared about. Thus begins the adventures and misadventures of the young Anthony Broy as he scrapes, fights, loves, and screws his way through adulthood, from an adolescence spent under the thumb of his violent stepfather among the Ukrainian communities of Long Island and Brooklyn to his reinventions of himself as Orthodox priest, sailor, small-time Indiana farmer, pizza shop owner, and eventual Wall Street mogul. Diagnosed after a bad acid trip with compulsive personality disorder by Navy doctors in Nuts and later in life, succumbing to another breakdown after his wife s death in Silver Hills, Broy s portrayals are brutally candid, touching, often hilarious and always outrageous. Like Charles Bukowski s Tales of Ordinary Madness, Broy s voice is that of an older man eager to tell all about sex, revenge, and quiet murders taking place from rural turkey farms to the soap factories of Depression-era Jersey City. Throughout these interconnected tales, he emphatically claims to confess no bullshit, leaving the delighted reader to wonder how much is fact, and how much fiction? Who s the real Anthony Broy? Sex, drugs and rock-n-roll all the way.
