## WHAT REALLY MATTERS: LIVING A MORAL LIFE AMIDST UNCERTAINTY AND DANGER

[DOWNLOAD](#)

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, What Really Matters: Living a Moral Life Amidst Uncertainty and Danger, Arthur Kleinman, In this moving and thought-provoking volume, Arthur Kleinman tells the unsettling stories of a handful of men and women, some of whom have lived through some of the most fundamental transitions of the turbulent twentieth century. Here we meet an American veteran of World War II, tortured by the memory of the atrocities he committed while a soldier in the Pacific. A French-American woman aiding refugees in sub-Saharan Africa, facing the utter chaos of a society where life has become meaningless. A Chinese doctor trying to stay alive during Mao's cultural revolution, discovering that the only values that matter are those that get you beyond the next threat. These individuals found themselves caught in circumstances where those things that matter most to them-their desires, status, relationships, resources, political and religious commitments, life itself-have been challenged by the society around them. Each is caught up in existential moral experiences that define what it means to be human, with an intensity that makes their life narratives arresting. These stories reveal just how malleable moral life is, and just how central danger is to our worlds and our livelihood. Indeed, Kleinman offers in this book a groundbreaking approach to ethics, examining "who we are" through some of the most disturbing issues of our time-war, globalization, poverty, social injustice-all in the context of actual lived moral life. "A fascinating and deeply entertaining book. For me at least, the richness of the book comes mainly from the stories Dr. Kleinman tells-complicated stories that confront life's miseries and renew the cheapened word 'inspiring.'" -Tracy Kidder "In this searingly written book, Arthur Kleinman takes us deep into the contrasting worlds of genuine reality and...
