What's the secret to effortless style? Hello! This is a book written by proper best friends - us! - who have been hanging out together for over ten years. We thought that if we shared some of our own experiences and views on friendship, relationships, leaving home, studying or starting a new job, then it might help you on your own journey. Inside you'll find loads of stories - some funny, some sad, and some that make us cringe with embarrassment - as well as tips and advice on things like dating and looking good. We've included our best photos from over the years (even the dodgy ones!) and drawings that Fearne has done especially. Let's face it, life isn't easy at times so we hope that this book will make you laugh, entertain you, but most of all that it might be a bit like talking to your very best friend.
