Ashley Tiffany Churchill, a shy only child living with her troubled parents in their Manhattan town house, spends a happy summer with her new boyfriend and classmate, Nevio, from her university architecture school class. But then when they head back upstate to the demanding rigors of their sophomore year, a handsome Swiss transfer student is assigned to the seat next to Tiffany in her design studio. Concurrently, her father, Willis, hires a comely Hungarian immigrant, Marta, as his home secretary for his new business venture of becoming a conservative talk show host. Willis rents Marta the basement flat under their town house where his home office is located. Trouble brews as his wife Grace, a literary agent, becomes intensely jealous and suspicious of Willis s new office assistant while simultaneously Tiffany finds herself trapped in a triangle situation at school. Her boyfriend Nevio decides that he needs to go to extraordinary measures to maintain his relationship with Tiffany and transforms himself into a dynamic, attractive leader. Some unusual events occur and come together at Christmas time. With the help of Nevio s transformation, the young couples discovers some of the lofty goals and needs of modern society and they accomplish some inspiring achievements benefiting society.
