All of the recipes require a minimum of prep time, freeing you up to read, exercise, garden, craft, write, spend more time with family, or whatever. Within the pages of **We d Rather Be Writing: 88 Authors Share Timesaving Dinner Recipes and Other Tips** you ll be introduced to authors who write a wide range of fiction-everything from mystery to romance to speculative fiction to books for children, young adults, and new adults-and some who write nonfiction. Some of the authors write sweet; others write steamy. Some write cozy; others write tense thrillers. Some are debut authors with only one published book; others are multi-published and have had long publishing careers. Some are New York Times and USA Today bestselling authors who may or may not be familiar to you, but being a bestselling author doesn t mean they still don t have to juggle their day job along with their writing. The authors who contributed to this book are a rather creative and resourceful bunch when it comes to carving out time from their busy lives....
