CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 356 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. Sgt. Tom Dunn and his special mission squad of lethal U. S. Army Rangers are back in France fighting the Nazis. Behind German Lines begins in July 1943, when the Nazis unleash a new battlefield weapon near Kursk, Russia, during the greatest tank battle in history. The weapons catastrophic and unexpected side-effects force the German scientists back to the drawing board. Picking up just eight days after Operation Devils Fire ends in late June 1944, we find Dunn and his men parachuting into the Cotentin Peninsula fifty miles west of Normandy Beach on another special strike mission whose outcome could affect the Allies attempt to finally breakout of Normandys bocage country. Meanwhile, since the Allies have learned the hard way that the Nazis concrete submarine pens are bomb-proof, Sgt. Malcolm Saunders and his rugged British Commandos are on their way by submarine across the North Sea to attack the pens at Wilhelmshaven, Germany. What Saunders finds leads his squad and him into a deadly confrontation with a dangerous enemy who has terrible plans for the United States. After Dunn and his squad return to France on another Top Secret mission, they discover a Nazi plot to use the new and improved battlefield weapon near Caen, right on the front line! With the fate of the western front unexpectedly and terrifyingly in his hands, Dunn and his men race across occupied France to stop the Germans. With his usual page-turner pace, Munsterman takes the reader onto the battlefields of Russia, France, and Germany, showing life and death, and victory and defeat during World War II. This item ships from La Vergne, TN. Paperback.
