

Starting Over: Brazil Since 1985

By Albert Fishlow

Brookings Institution. Paperback. Book Condition: new. BRAND NEW, Starting Over: Brazil Since 1985, Albert Fishlow, Brazil has undergone transformative change since the 1980s, from an authoritarian regime to a democratic society advancing on all fronts - political, social, economic, and diplomatic. In Starting Over, Albert Fishlow traces the evolution of this member of the BRICS group over the last twenty-five years and looks toward the future as the newly elected president, Dilma Rousseff, follows her very popular predecessor, Luiz Inacio Lula da Silva, or "Lula." The transformation of the country began with the founding of the Nova Republica and the Constitution of 1988, which established a strong executive and encased key social principles such as a citizen's right to education and health care. Then the Real Plan of 1994 - initiated under President Fernando Henrique Cardoso - set the stage for economic growth and a stable economy. There were setbacks, especially in the mid-1990s with the Mexican devaluation, Asian financial crisis, Russian default, and Argentine collapse, and, later, the U.S. recession. But changed economic policies in the late 1990s put Brazil on the right path to future economic growth, which resumed during the Lula years. With popular participation in...
