Atheneum Books for Young Readers, United States, 2014. Paperback. Book Condition: New. Reissue. 208 x 138 mm. Language: English . Brand New Book. Get a guy s perspective on adolescent hang-ups in this classic Judy Blume novel, now with a fresh new look. That s an interesting way to solve the problem, Tony. Miss Tobin is talking about a math problem on the blackboard, but Tony is thinking about real problems. If his parents or his friend Joel or Joel s sixteen-year-old sister Lisa knew what Tony was thinking about a lot of the time, they d probably freak out. About snitching on Joel, who Tony knows is a shoplifter. About watching Lisa undress each night and liking what he sees. About money and the changes money makes in people (especially his mother). Hung up at thirteen. That s Tony Miglione--especially this morning in math class in front of Miss Tobin, for everyone to see.
