HarperCollins Publishers Inc, United States, 2003. Paperback. Book Condition: New. Reprint. 178 x 107 mm. Language: English . Brand New Book. A stunning and poignant account of a teacher's extraordinary efforts to break through a young student's self-imposed silence--from the internationally bestselling author of *One Child*. Torey Hayden had always worked with special needs children. Sometimes the challenge was easy, helping a child with ADD to function normally in a classroom, and other times the challenge was great, trying to connect with a child who has been severely abused in one form or another for much of his/her young life. **BEAUTIFUL CHILD** is the story of Venus, a seven-year-old girl. She refused to speak and communicated with no one. But Torey had never given up on a child and was determined to break through to Venus. And so the school year began, with Torey utilizing every technique at her disposal to connect with Venus. It would be a strenuous journey beset by seemingly insurmountable obstacles and darkened by terrible revelations--yet encouraged by sometimes small, sometimes dazzling breakthroughs--as a dedicated teacher remained committed to helping a hopeless girl, and patiently and lovingly leading her towards the light of a new day. Told with compassion, sensitivity and humour, this amazing story is an inspiration to all who read it.

1. OVER ONE MILLION COPIES IN PRINT: There is a tremendous readership for Torey Hayden's books, especially in mass market.

2. A TIMELESS TALE: Issues of child welfare are constantly catching the headlines, and Torey Hayden's gripping and in-depth tales of children overcoming their troubled pasts reach deep into the heart of readers of any generation.

3. A REAL STORY, WRITTEN BY A REAL HERO: Torey Hayden has worked with emotionally/mentally disturbed children for most of her adult life....
