AUTHORHOUSE, United States, 2006. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book provides a common sense approach that, if enacted, will improve the educational system for the students who attend school in America. Oftentimes, we as educators know what needs to be changed or done to make a school more successful, but don t implement those strategies, because they may not be politically correct. This book does not take political correctness into account when it comes to student achievement. There is no program that is more important than one which ensures that students get the proper education. You will read about the importance of having a vision, analyzing test data, implementing strategies that improve student learning, and implementing a strong and consistent discipline program. This book will help parents as well as educators see a common sense approach to student performance. Administrators, teachers, and parents will read about how to organize and work together, so that the students of America will receive the best education possible.
