Brand New Book ***** Print on Demand *****.Excerpt from Making Poultry Pay: By the Philo System; North, South, East and West The possibilities for a profitable business with intensive poultry culture have never been so plainly visible as at the present time. We believe that greater strides in scientific poultry breeding will be made during the next five years than have been made in all the time past. While it is possible for one person to accomplish wonderful results in any one line of work, the greatest successes are had when the combined efforts of many people of ability are concentrated on a certain line of work. This Philo System Booklet is published for the purpose of bringing together the experiences of successful poultry keepers, that the combined efforts of some of the best talent may be used for the advancement of our chosen occupation in a way to do the greatest amount of good to the largest number of people. We could not be of greater service to mankind than in helping to provide away by which waste material may be converted into the most valuable food. While we hope and expect to help many more thousands of people to establish a profitable poultry business, we would be satisfied if able to do no more than to help many to a better living and happier homes by utilizing waste material and to provide means for them to study nature and the natural instinct of birds. The table scraps that are now being thrown away in thousands of homes may be used to produce more eggs than an equal number of families have to use, and there are many things in the city garden...
