Reviews

A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Paperback. Book Condition: New. Not Signed; Description: An entertaining and charming story about an eccentric, loveable family - 'Endearingly funny' 5-star review, Telegraph Chloe Deal is observant. Every day she notices small details - like how Front Door always refuses to open when it's raining; how whatever task he sets out to do, Daddy usually ends up snoozing to the radio in his shed; how her younger sister Daisy muddles her similes but never her fashion sense, and how Mummy's nostrils flare when Dad forgets to mow the lawn, again. So when Chloe starts a school project about her house, she ends up cataloguing the chaotic balancing act of her family along with it. In the run up to the school holidays (and Chloe's birthday), disaster follows disaster at home and school. Mummy's patience is beginning to unravel. Can Chloe get the house, her siblings and her father in shape before it's too late?. book.
