For more information on the World of Wellness Health Education series, please visit the Web site, Meet the Challenge of Comprehensive Health Education in Elementary School Human Kinetics recognizes that health education may be challenging to fit into your busy schedule. That is why we developed the World of Wellness Health Education series (WOW!): -With WOW! you can deliver top-quality health education within the limited hours of the school day, promote health literacy, meet the mandates of No Child Left Behind legislation, and enhance your efforts to achieve the objectives of the overall curriculum that you work so hard to implement. -WOW! is designed to develop strong and compelling links between what students should know and what they should be able to do in the areas of reading and writing. -Finally--but no less importantly--WOW! emphasizes the importance of physical activity and nutrition throughout the health education strands. Through careful design and execution, a coordinated approach, and consideration for real students and teachers in real school settings, WOW! not only helps you meet the challenge, but does so in...
