The Origin of Western Judicial Systems is a historical perspective look at the rich and wonderful beginnings of judicial systems in the Roman Empire. The law of ancient Rome spans almost six centuries of history- from the time of the city's founding in 753 BC until the fall of Rome's Western Empire in the fifth century AD-and provides the backdrop for many of today's legal practices. As a legal system, Roman law has affected the development of law in most of Western civilization as well as parts of the East. This law formed the basis for the legal codes of most continental European countries and is one of the greatest legacies of the Roman Empire. In 753 BC, the city of Rome and its administration, which was the nucleus of the Roman Empire, began as a monarchy, but by the end of the sixth century BC kings had been replaced by the Roman Republic. The Republic was located on the banks of the Tiber River in Italy where the birth of the modern judicial...
