## Genesis in Ancient China: The Creation Story in China's Earliest Script (Paperback)

By Ginger Tong Chock

Eastward Garden Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Was the Genesis story of Creation recorded in China soon after the time of Moses? China's earliest known script of more than 3200 years ago reveals it was. With evidence culled from Chinese mythology and the ancient Classics, you will see how the graph formations of just forty oracle bone characters narrate a story line based on the Genesis chapters one to three. These graph characters re-enact scenes of the creation of the firmament, of man formed from the soil and in the likeness of God, the Garden of Eden, the two trees, the Serpent, the Fall, the banishment, the sacrificed lamb, and man's mandated obedience to God. They speak out in Genesis in Ancient China to reveal the identity of the true God of earliest China to be the same God of Genesis.
