

## No More Cupcakes Tummy Aches (Paperback)

Filesize: 8.14 MB

### ***Reviews***

*It is one of the best publications. It is definitely simplistic but excitement in the 50 % in the ebook. I am very happy to let you know that this is basically the greatest publication I have got through within my own existence and could be the greatest pdf for ever.*

Xlibris Corporation, United States, 2004. Paperback. Book Condition: New. Jane Kirkwood (illustrator). 274 x 211 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Izzie wasn't very tall for seven. Not even for six. Or five. Even if she stood on her tippy, tippy toes, her pony tail, just reached the top of Daddy's chair. So begins the tale of the little girl who believes that by eating lots of cupcakes, she will get tall, maybe even tall enough to be a ballerina. Too many cupcakes cause a tummy ache and the trouble starts. Living gluten-free isn't a piece of cake until Izzie learns that being special is really what makes you tall. Beautifully illustrated and with a foreword by Alessio Fasano, M.D., Director of the Center for Celiac Research, Lowell's charming and emotionally honest tale, complete with resources and a real-life happy ending in the form of a gluten- and lactose-free cupcake recipe from Whole Foods Market Gluten-Free Bakehouse chef Lee Tobin, will live in the hearts of parents and children for generations to come.
