

## RSPB Spot the Bug

By -

Dorling Kindersley Ltd. Paperback. Book Condition: new. BRAND NEW, RSPB Spot the Bug, Discover nature the fun way, with help from the RSPB. Is your child a budding bug hunter? "RSPB Spot The Bug" will help your child discover which bug is which, with help from the Royal Society for the Protection of Birds. This pocket sized guide is perfect for your child to take to the field, forest and other wild places. To add to the fun, there is a sticker section at the back, with over 100 stickers so they can record which creepy crawlies they've seen. From the Cardinal Beetle to the Ladybird and all their fluttering, slithering friends, great and small - you'll find them with the help of "RSPB Spot The Bug". With full profiles and photos of over 70 species from Great Britain and Northern Europe, and 12 gallery pages showing lots of examples; colourful symbols will show your child which bugs to find where, what they eat and all about their life cycles. It's simple and fun, so grab them a copy of "RSPB Spot The Bug", head outdoors and start bug hunting.

### Reviews

*Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Mrs. Bridgette Rau MD**

*Absolutely essential go through pdf. Indeed, it really is play, continue to an interesting and amazing literature. You will not truly feel monotony at any time of your time (that's what catalogues are for concerning if you question me).*

-- **Julia Mohr II**
