Brand New Book ***** Print on Demand *****.Excerpt from Latin Mastered in Six Weeks: A New Method of Teaching the Language Of this we are certain - the De Brisay Analytical Method is by far the most natural way of learning Latin, as a careful examination of even the first part of Mr. De Brisay s system will show. - Educational Record of Quebec. We commend the method especially to those who have but little time-to devote to the study of Latin. - Detroit School Record. We are convinced of its excellence, and are not surprised that practical results have been obtained by its use. - Christian Guardian (Toronto). The system is eminently practical. - London Free Press. Worthy of the closest study, not only of students of the classics, but of students and teachers of modern languages as well. - The Open Court(Chicago). Persons interested in Latin should investigate the method. - Saturday Night (Toronto). The aim of the work is scientific and will be popular as it is so ingeniously concise and comprehensible. Mr. De Brisay has been particularly well fitted for the work by his experience as a teacher, as well as by his extensive acquaintance with the different languages and the primitive derivations of each, and his Analytical Method is made easy to those who wish to master Latin. - Dobcaygeon Independent. A method by which a student may acquire an acquaintance with the best Latin authors in a way that arouses the interest and pleasure at every step ought to be worthy of the greatest consideration at a time when Latin is in danger of being excluded from many of our schools. - Educational Review (St. John, N.B.). Even...
